

Idaho STEM Ecosystem Spring Convening 2022

The Power of Partnerships

April 29-30, 2022
Final Agenda

Meeting Intent: Reinvigorate existing relationships and build new relationships, learn and share about STEM efforts throughout the state, and continue to develop out the goals and infrastructure of the EcosySTEM.

Intended Outcomes:

1. Shared understanding of what the EcosySTEM is, why it was developed, and how it works
2. Strengthen partnerships to leverage resources
3. Create actionable collaboration
